

INSTITUTIONAL SCHOLARSHIP PROGRAM

AN EXCLUSIVE SCHOLARSHIP INITIATIVE BY DYNAMIC FOUNDATION

Program Eligible: Professional Diploma in Research Management & Innovation Commercialization (RMIC)

Scholarship Benefit: Maximum 50% Tuition Fee Waiver

Seat Availability: Strictly Limited Seats Available (Allocated on Merit & First-Come, First-Served Basis)

1. WHO CAN APPLY? (ELIGIBILITY CRITERIA)

The Institutional Scholarship Program, proudly sponsored and offered by the **Dynamic Foundation**, is designed to support committed professionals, mid-career practitioners, and researchers looking to drive substantial impact in the academic and industrial ecosystems. Applicants must fulfill the following baseline requirements to qualify for evaluation:

- **Minimum Education:** Must hold a valid Graduation Degree (14 or 16 Years of Education) from a recognized higher education institution.
- **Program Specifics:** This financial assistance framework is explicitly eligible only for applicants enrolling in the *Professional Diploma in Research Management & Innovation Commercialization (RMIC)*.
- **Commitment Level:** Open to individuals balancing professional roles in academia, core industrial structures, or dual-exposure professional domains.

2. SCHOLARSHIP EVALUATION MATRIX (100-POINT SYSTEM)

Applications are benchmarked objectively through Dynamic Foundation's automated 100-point processing engine to guarantee data integrity, absolute transparency, and merit-based selection.

Assessment Category	Eligibility Metrics & Verified Conditions	Allocated Points
Academic Standing (Max: 20 Points)	Doctorate Level (PhD) Holders	20 Pts

Assessment Category	Eligibility Metrics & Verified Conditions	Allocated Points
	Master's / MPhil Degree Holders	15 Pts

	General Female Demographics	10 Pts

Assessment Category	Eligibility Metrics & Verified Conditions	Allocated Points
	General Male Demographics	10 Pts
TOTAL SCORE	Maximum Achievable Merit Points	100 Pts

3. RULES & REGULATIONS

Applicants must review and comply with the following regulations governing the Dynamic Foundation financial support framework:

- **Tuition Fee Cap:** The scholarship structure strictly covers a maximum of a 50% tuition fee waiver. The remaining 50% of the educational dues must be independently cleared by the applicant upon formal confirmation.
- **The Limited Seats Constraint:** Due to limited seat availability, scholarships are allocated exclusively to the highest-scoring candidates based on the merit point system. In instances where applicants achieve matching scores, the submission timestamp (*First-Come, First-Served*) acts as the final decisive variable.
- **Verification Checkpoint:** The submission of genuine, verifiable supporting documents (Degree, Certificates, and Paid Utility Bills) is mandatory. Points will be automatically deducted from the system score if any falsified or missing records are discovered during scrutiny.
- **Performance Contract:** Selected candidates must maintain a minimum threshold of **80% attendance** and successfully clear all continuous modular assignments. Failure to meet these core performance criteria will trigger the immediate revocation of all financial privileges granted by the Dynamic Foundation.

4. APPLICATION PROCESS FLOW (STEP-BY-STEP)

- **Step 1: Declaration Intent** Mark the explicit scholarship checkbox at the bottom of the main Admission Application Form during your initial enrollment initialization process.
- **Step 2: Scholarship Portal Release** Once registered, navigate to your organizational "Application Status" dashboard space to unlock the tailored, standalone Scholarship Application Form powered by Dynamic Foundation.
- **Step 3: Document & Metric Capture** Accurately complete all evaluation fields, declare your marital/demographic status, specify your recent electricity unit data, and upload clear digital copies of your degree and latest utility bill.

- **Step 4: Central Committee Review** The central review board will evaluate your data inputs against the actual uploaded systemic documentation to render an official approval and confirmation status.
- **Step 5: Voucher Processing & Access** Download the dynamically discounted fee voucher from your portal, finalize the financial transaction compliance, and upload the verification receipt image to immediately provision your Learning Management System (LMS) platform access.

Note: No separate institutional recommendation or nomination letters are required for this deployment cycle.

5. ADMISSION TRACKING & SUPPORT

Applicants can check their current enrollment review progress, verify application status details, and directly populate their dedicated evaluation files via the centralized applicant portal area.

To continue, proceed directly to the **Application Status Dashboard**.
